### 2nd Year DIRECTORS

Jerry Jackman	Ron Freitas
	Dan Fitzgerald

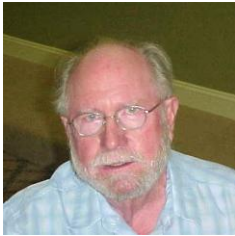

Former Lt. Gov. Vern Riopel and his wife Verna came to our meeting. Terry Plett is a cousin and he had a happy buck that he ate lunch with his cousins.

**Jeremiah Williams** will contact Club members who have signed-up for the Amgen Tour of California event next Wednesday In Modesto as to who to contact and where. This should be a cool event. Wear something that identifies you with the Club.

Key Club DCM was a success. There was a great turnout (#60) with many receiving awards. The Modesto and Beyer High School Key Clubs won their share. The Lt. Gov. and President from Beyer High School return next year. Beyer also won the website award and the second year secretary award. Nicely done!

We thank all of you for helping in a great way to make a success of this fund-raiser.

**Denise Ganji** reported on the Governor's visit last week. 23 of our members attended including guests. **Margaret trammel** and **Karin Peterson** sold raffle tickets (Hal won.) **Rich Boschetti** and **Don Ross** helped at the sign-in desk. **Bob Rivers** made sure Key Clubbers were present. **Denise** said it was a "good night".

We unanimously elected **Karen Peterson** as the Vice-President of the Club. She will be finding and scheduling the programs for our meetings. She has already scheduled through August. Let her know of any programs you can help schedule with her. She might consider a committee to assist her so the load is shared.

**Vanessa Czopek** thanked your editor's wife, Christine, and others for volunteering for a docent program, giving tours of "all" of the library. This is part of the program to educate county residents of the value of the library and to help it in the upcoming election on part of extra funding. **Vanessa** also said that she and her husband, Paul, were going to travel on 9/12/01 to Washington. D.C. but we know what happened on 9/11. She called our Representative, Dennis Cardoza, whose office lined-up many free tickets to places in the District such as museums, etc. This is a service his office does for constituents. She mentioned the Pentagon with its chapel in memory of those who died at the Pentagon on 9/11. Glad she and Paul had a good time back East.

**Jerry Jackman** responded to his sixth anniversary celebration notice from the President, by relating that they were married on the largest tree stump at Calaveras Big Trees. Congratulations to you and Sandy. You are very luck she likes to travel to Asia as much as you do.

**Terry Plett** paid and asked us to sign our “Birthday song” in the traditional Club style. He was almost moved to tears. His grandmother’s birthday and his cousin’s birthday are on the same day. Celebrate!

**Ugo Lea** won the blue marble raffle, \$55.00.

The Club through **Ugo Lea’s** committee gave out \$500.00 scholarships to various Key Club members: Monisha Jitt (Beyer High), Samuel Flores (Beyer High), and Ida Chan (Modesto High, IB program), all of whom were present at our meeting. There are three more scholarships to be awarded.

**Rich Boschetti** bragged, with reason, that Farmers and Merchants Bank had a record first quarter and was one of the top five nationally rated financial agencies. Well done. Considering the economy and this accomplishment (he is a branch manager), he was appropriately not fined.

Our speakers were from Modesto Junior College’s scholarship and financial aid program. They emphasized that a student should apply as soon as possible, even if they do not think they will obtain one. With the application done, the office may be able to find you financial aid or a scholarship even if you do not obtain a grant, fee waivers, etc. Out of the over 20,000 students at MJC, 40% have some financial assistance of some type. With the economy, many people over 40 years of age are returning to school, including MJC, as the job market requires more education than before.
