**Jerry Jackman** jumped at the chance to carry the fine pot..hmmm.

No guests in attendance, but **Paul Hearst** was back for a visit. He's got a clean bill of health, but his driving status is questionable.

### Club Business

### Auction Item

**Carol Davis** visited the Outer Banks and the Lost Islands. She brought back a beautiful statue called "Happiness". **Carol's** auction was so rudely interrupted by **Jeremiah Williams'** phone ringing. **Jeremiah** had excuse after excuse and insisted that it was all **Terry McGrath's** fault (**Terry** called **Jeremiah** from across the room). President **Jan** fined them both. **Ron Freitas** bought "Happiness" for \$13.00.

### Celebrations!

**George** and Marilyn **Fredrickson** celebrated 61 years of marriage. **George** had the fine free necklace so he was more than happy to tell us about his anniversary. **Jake Sonke** had a sad buck, his anniversary was missed. He gladly gave \$50 for 39 happy years and for the birth of his 11<sup>th</sup> grandchild. **Roger Vogelzang** also had a sad buck that his 57<sup>th</sup> anniversary wasn't announced. He paid \$57.57, \$57.00 from him and .57 from his wife. **Roger** gave us a bit of information, he says, "you do more research in pricing a car than you do in picking your wife".

### Happy/Sad Bucks

- A sad buck was given for **Tony Tomayo** whose house burned down. More info to follow.
- **Hal Conkey** had a happy buck that he was not in trouble yet for his comments at last week's meeting.
- **Joyce** gave an info buck and tattled on **Terry McGrath** who went to Pebble Beach and didn't bring us an auction item.
- **Terry McGrath** was happy he has new hearing aids. He also will be bringing us an auction item.
- **Jeremiah Williams** gave an info buck while instructing us that the Lt. Governor can't be fined.
- **Karen** gave us an info buck about **Jerry Jackman** appearing in the Modesto Bee. He was carrying the fine pot so he was fine free. He did feel some remorse and gave us \$2.00.

Marble losers were **Buzz Rasmussen and Jeremiah.**

Our program today was very informational, it was on identity theft. **Rich** brought Karla from the Modesto Police Department who gave us some alarming stats.

- Each year 10 million people in the US are victims of identity theft.
- The Central Valley ranks #1 in ID theft in the US.
- Card skimming devices are offered on the internet.

Great seeing y'all today, hope to see you again soon!

Blessings,  
Shannen
