Prez. MARGARET called the meeting to some what of order and started asking for volunteers to lead the Pledge, sing a song and then asked our own **Minister WILLIAMS** to give the prayer. We all pledged well, sang loud, and bowed our heads as **the REV WILLIAMS** asked the powers above to watch over us. The walls did not shake, lightening did not strike and the sky stayed blue, so I'm assuming his prayer was well received.

JERRY JACKMAN jumped up to carry the fine pot, but I don't know if he collected any monies.....he just sort of roamed around the room looking a bit lost (which, for **JERRY** is a familiar look).

JEREMIAH then reported on the 4th of July Committee, which did pull off a grand parade for the citizens of Modesto. My hat is off to those that worked so hard to help accomplish this. A good number of members got involved and help to make this come off as well as it did. They had 34 more entries this year, the parade started on time and ended on time and was well received by the crowded streets. The committee has plans of improvements for next year, and will have a financial report at next weeks meetings. Let's all come out to next weeks meeting and hear what is in store, and maybe even add your own two cents worth for next year. It looks like we made somewhere around \$2,000.00. but we will know more next week. Well done **JEREMIAH** !!!! (as a foot note, it seems our own President and Vice President were in the parade in some kind of "topless" display.....not sure of the details, but I do know that even their car overheated)

San Diego Convention is fast approaching, if you're interested, ask **Prez MARGARET**
For details on just how much the club will help with the costs.

BOB LYNCH was introduced by **TERRY MCGRATH** as a prospective member. Seems he and **TERRY** were in the Jaycees together oh so many years ago.....

PHYLISS HART gave a sad buck as it seems some unruly bear broke into her cabin near Lake Tahoe and messed things up a bit (at least that's her story, and she's sticking to it)

JOYCE and MARGARET were also in Lake Tahoe, but the bears in that area new better than to go in **JOYCES** cabin while they were there.....(Smarter than the average bear, huh ?)

Speaking of **JOYCE A**, she celebrated her birthday this month (didn't say which birthday), drew and egg from the 'birthday basket' and got away with a \$3.00 fine and then had the nerve to ask us to sing our "Birthday Special".....My guest tried to bolt for the door, but I explained that we sing like that on purpose.....his response was "Why " ??? I could only shrug my shoulders.....

JOYCE, upon her return from the National Convention in Switzerland , brought several auction items that **DON ROSS** bought for \$20 (Arlene, one of the items was a box of chocolates, did they make it home ??)

RICH B brought a bottle of wine from his trip to San Diego, the wine sold to **BOB BECK** for \$22, but I think he really wanted the neat wooden container holding bottle.

RON FREITAS bought the 'fine free' necklace for the month of August....wonder what he's up to ???

JOYCE & FINN were thanked for hosting last weeks 100 % party. It was a great success, as 100% of us had a good time.....our newest "Service Member" **LORETTA MENSHEW** was there and duly 'indoctrinated'

The 'Marble Walk' was done by **DAN and DON** to no avail.....

PROGRAM Randy Seifkin was our speaker today and he talked about the State Theatre And all of the varied programs they have through out the year. Randy is also head of the Modesto Film Society and announced that this years schedule includes: "Shane", "On The Waterfront" , "From Here to Eternity", "The Caine Mutiny" and several more. Join up, it's a great way to support the theatre and have good time doing it.,.....(for the child in you, you can even 'dress up' for the theme of each movie.....

Randy pointed out that the State Theatre was built in 1934 and started out with 824 seats. Now it only has 551 seats.....seems the theatre seats, along with the audiences seats, have grown larger over the years.....

Oh well, that's show biz.....see you next week
