STYLIN'

President Jan was ultra mode and stylish in her 3D glasses. In the news, I have recently seen an almost identical pair being worn by Queen Elizabeth. Now far be it for me to accuse the Queen of copy-cattin' our Club President, but it seems just too much of a coincidence. Jan says that the glasses give our Club members a whole new dimension.

EXTRA ! EXTRA!!

For those of you who have just recently flown in from Bezerkistan, everyone but you knows that our venerable bulletin editor, the inimitable **Irvin P. (Pete) Brock** is going into retirement. **Pete** has been editor since Hector was a pup. (Whomever Hector is.) **Pete** has done a great job and will be sorely missed. However, someone has stepped forward to tackle the daunting task. It is none other than our Treasurer **Paul Hearst**. This change of cloak will occur on 11 August. I'm not sure if **Erica** will continue as Treasurer and **Paul** will assume editor's duties, or whatever. (Nobody tells me anything!) Anyway, keep sending your articles and such to **Pete** until the official change over is complete. Muchas gracias, mi amigo!!

COME ALONG WITH ME TO THE WINE COUNTRY-----

For those of you who are old enough to remember the words above, it was a Gallo commercial lead in, about forty years ago. But I digress, back to our Wine Country Evening (Scheduled for 7 October): Past Chairman **Terry McGrath** and current chairman **Jim Mesquit** enlightened us on what's happening. One of the important things is that we are "partnering" with the DMC Foundation. We are going to work together with them and will split the proceeds. Numbers of up to 600 attendees were bandied about. That's a lot of tickets, but we can do it, especially with DMC Foundation members pushing too. But, as either **Terry or Jim** said, "We can't let them outsell us. In case you don't know anything about the Foundation, they were originally an integral part of Doctor's Medical Center. Some years ago, the Foundation split off and now does their own thing, although the Medical Center still donates some money. They have several activities, some of them being: Alzheimer's Respite Center, The Mom Mobile, Smoking Cessation programs, Diabetes clinic and several more. They are definitely worth being associated with. Several of our members have been on their Board of Directors, including **Terry McGrath, Steve Mort** and myself.

HELP WANTED

Most of you know that **Bob Rivers** left the Club to pursue other interests, mostly family. He will be missed as an active member, but especially as our Kiwanis Representative to the Beyer High Key Club. Both he and **Jerry Jackman** can attest to the fact that association with the Key Clubs is rewarding and a lot of fun. Also, we can rope the young rascals into helping us on some of our projects. If interested, contact **President Jan**. A hint on staying young, "Hang around with young people."

CONGRATULATIONS

Kudos to **Rich Boschetti** for stepping into the breach to fill a slot on our Board of Directors. I was amazed, and quite pleased, at the number of people who volunteered to fill various jobs in our Club. Congratulations to them. I am a little leery of volunteering. The last time I did, I ended up in the Navy for four years with people shooting at me.

CONVENTION TIME

The Cal-Nev-Ha Convention will be held in Reno on August 19th thru 21st. The payment schedule got a little bit convoluted, to me, but I think that our two delegates will get a full ride. If you want to attend, and be reimbursed for the registration fee, you had better go before the Board and plead your case.

POT POURRI

Welcome back to the fold to **Past Kiwanis President Dave Epps**. **Dave** has been away a few years and is now back among us. He was a good member and I am sure will be again. Arrangements are being made to assure that long time member **Jim Brown** will have the option of attending meeting, whenever he wishes. **Jim Mesquit** started the ball rolling. I was wonderful to see **Virginia and Bob Beck** at this Wednesday's meeting. They are both nice, but she is wonderfuller!! There were so many "happy" and "sad" bucks that I finally gave up keeping track of them
